I/We, the parent(s), and the student, who have the sole and legal right to make the decisions on the health and care of the student, do release from liability and grant permission as noted of the following while he/she is overseas as an international student attending _____ (hereafter school):

- In the event of accident or sickness, I/we authorize any school staff and/or host parent(s) of the student to select the appropriate medical facility and physician(s)/dentist(s) to provide treatment.
- I/We hereby authorize and consent to any X-ray examination, administration of anesthetic, blood transfusion, surgical operation, or any other medical or surgical diagnosis and treatment rendered under the general or special supervision of any member of the medical staff and emergency-room staff licensed by the state of treatment and/or the provisions of the Medical Treatment Act, or a dentist licensed by the state of treatment and/or under the provisions of the Dental Treatment Act, or staff of any acute general hospital holding a current license to operate a hospital.
- I/We further consent to any medical or surgical treatment by a licensed physician, surgeon, or dentist that might be required by my/our son/daughter for any emergency situation. I/We do request that I/We be notified as soon as possible, but emergency treatment need not be delayed to provide such notice.
- Permission is granted for any additional immunizations that may be required per school and state regulations.

It is understood that this authorization is given in advance of any specific diagnosis, treatment, or hospital care being required, but it is given to provide authority and power to render care which the aforementioned physician or dentist in the exercise of his/her best judgment may deem advisable. It is understood that effort shall be made to contact the undersigned prior to rendering treatment to the patient, but that any of the above treatment will not be withheld if the undersigned cannot be reached. In the case of elective surgery, I/we request that I/we be notified and our permission obtained before such arrangements are made.

I/We agree to hold harmless and release from all liability the school and all staff or all members of the host family for any intervention in an emergency situation regardless of final outcome. Redwood Christian Schools is committed to providing a safe, secure, loving environment for all of our students. This can best be done when all involved are committed to the same guidelines.

Redwood Christian Schools International Program (I-20 Program) is open to students from around the world whose countries may not have the same legal and cultural guidelines that are expected of all students attending Redwood Christian Schools.

Redwood Christian Schools is not a school for adults, regardless of the age of the student. We are a school for students who, regardless of their age, are willing to follow all of the guidelines that other students follow. All students are held to the same standards of conduct, regardless of whether or not they are International (I-20) students or American-born students. Because of the number of documents involved in the application process, this form is a compilation of topics that could be confusing or overlooked elsewhere, so they have been brought together to ensure understanding by everyone involved.

International student applicants, their parents and guardians in the US should read the following and ask for clarification prior to signing. Signatures are required by the student, his/her parents and US guardian prior to attending classes or within ten days if already attending Redwood Christian Schools.

Many of the following topics are duplications from elsewhere in the student application. Please read the following very carefully and initial as indicated below. The statements are written for the student, his/her family and US guardian.
