## Devotional Thought:

Luke 10:27: "And he answered, "You shall love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind, and your neighbor as yourself."

Love is an action that runs in two directions: vertically between a person and God and horizontally between a person and others. We are to love God, who loves us. We are also to love our neighbors, as much as we love ourself. Jesus is then asked the question, "who is my neighbor?" He responds with the story of the Good Samaritan (Luke 10:30-37). This parable makes it clear that our neighbor is not someone who lives close by or a good friend. Our neighbor is anyone we cross paths with that needs our help and assistance. In Ephesians 4:25 Paul says our neighbor is anyone we can speak the truth to and in Romans 15:2 anyone that we can build up. Meanwhile, we should not judge our neighbor (James 4:12) or we should not mistreat our neighbor (Acts 7:27). Matthew 7:12 provides the perfect summary of how to treat our neighbor - as we want to be treated.

In Christ, Al Hearne II, Superintendent

### "Fabulous Five" As Reported By RCS Teachers:

I have asked each teacher to let me know the most fabulous thing that happened at RCS in the last week. On Tuesday mornings, Mr. Huemoeller, Mr. Warner, and I go through them and pick the "Fabulous Five" to share with parents.

**Mr. Gillette** – click [here](#): *The MS Chapel Worship in song was the best ever on Wednesday.*

**Mr. Barnhart** – *The Christian Ministry team pitched in on Saturday to help clean up the campus. They had the choice between leaving early and finishing the project. All of them chose to stay and finish the job. Incredible group of students!*

**Mr. Warner** – click [here](#): *The Varsity Boys soccer team's first home game had nearly 50 students come out to cheer them on to a 1-1 tie against Stewart Hall. School spirit was very strong and our boys played hard and well!*

**Mrs. Vanegas** – click [here](#): *Having my students ask TOUGH questions during Bible time about our God. I love that they are growing their faith by not being afraid to ask.*

**Mr. Blatchford** – *I had the opportunity to teach students how Christianity was vital to the rise of science!*
